Lead _____ Recorder _____

Ambassadors _____ _____

Presenter _____

Question	Think, discuss, then write. ☐ tick one or more · ___ fill the blank · questions in bold: answer in your own words	Tag A·I·C·?
① Product *What is it, what does it do, how big is the market, what is new? (W3 · W4)*	**Our product is a** ☐ physical product ☐ app / software ☑ service ☐ platform linking two groups ☐ other: _____ **What is it?** Name: 沐泡 (Jebo) In one sentence: It's a platform for cleaning service reservation **Main functions:** 1 reservation 2 service assurance 3 _____ **Market:** ☐ our campus only ☑ universities in China ☐ a wider market: _____ **How big is the market, and is it growing? Who else needs this?** market: dorms with cleaning issues. Maybe not growing. **What is new?** ☐ core technology ☐ new combination of existing tech ☑ new business model ☐ new user experience ☐ nothing yet **What is hard for others to copy?** Fine-grained adaptation: Highly Customized Micro-scenarios	—
② Customer · scenario · need *One segment, one moment. (W2)*	**Who exactly?** (year, major, where they live or work) The university students who have an inclination for public area cleaning **When and where does the problem happen?** It happens when the public area is too messy ~~and take~~ in university dorms **In that moment, what do they want to do — and what problem stops them?** clean the public area. unpleasant cleaning. **How often?** ☐ every day ☐ every week ☑ every month ☐ rarely **Who pays?** ☑ the user ☐ someone else: _____ (parents, lab, school, company)	
③ What research found *Keep facts apart from guesses. Never invent a finding. (W2 · W5)*	**What have we done so far?** ☐ today's exchange (n = __ people) ☑ interviews (n = 26) ☐ survey (n = __) ☐ MVP test ☐ nothing yet **From other teams today** (exact words + which team): _____ _____ **Known:** Many students have this issue, but some of them have alternatives. **What surprised us:** half of students we interviewed are positive to this project. **Still a guess:** _____	
④ Value proposition *Why will they buy — and choose us over what they use now? (≤ 25 words)*	**For** _____ **who** _____ **, our** _____ **helps them** _____ **— unlike** _____ , _____ . **Hint:** *For = which customer (②) · who = their problem, in which moment (②) · our = our product (①) · helps them = the result they get · unlike = what they use now · last blank = why we are better.* e.g. *For city shoppers who miss simple, natural products, our beeswax lip balm helps them enjoy honest, down-home care — unlike sleek chemical brands, it is simple and natural.* **Today they use** _____ ☐ nothing — they just live with the problem **To switch to us, they must pay or give up:** _____ *(money, time, learning a new tool, changing a habit)* **Our main advantage:** ☐ cheaper ☐ faster ☐ easier ☐ better quality ☐ something new they cannot do now ☐ other: _____ **Why would a customer pay for this — and why us, not a rival?** _____ **Test round — their reaction:** ☐ would use ☐ would pay ☐ maybe ☐ no **Why:** _____	
! Riskiest assumption *If this is wrong, the idea fails. Test it first.*	**We believe** _____ **. We will test it by** _____ .	?
